Dear Josh:

Thank you for sending me the June 20 article, "Egg Transplants:
Not the End of the World," which I enjoyed reading.

It reminded me that I had not yet replied to your letter about
xeroradiography. I made an inquiry and find that a formal
response is due in a few days. I will forward it as soon as
I receive it.

With kindest personal regards, I remain

Sincerely yours,

Myron Tribus
